An organization's alumni are the reflection of its past, representation of its present and a link to its future. To develop and keep social contacts among the Alumni of college alive, active and serve as a forum to promote and foster the relationship between the alumni, present students, the staff and the management of college with the basic objective to exchange ideas, which besides being mutually beneficial, will generally help in achieving excellence and professional competence and contribute to improve the quality of life.

Alumni can play an active role in voluntary programs like mentoring students in their areas of expertise.

So keeping all this in mind GC Barotiwala is going to organise a general house of formation of OSA on 25-04-2024 at 11.00 am in our principal's office. The agenda includes approval of OSA bye-law and rules of OSA to register as society and any other matter decided by the house.

All the Old students are cordially invited to this meeting.
