Principal Message

It gives me immense pleasure to present Pryaas 2025–26, the College Magazine that reflects the creativity, intellect, and spirit of our vibrant student community. This year marks a milestone, as for the very first time, Pryaas will be released in both offline and online formats, ensuring that our collective voices reach a wider audience.

I extend heartfelt congratulations to the Chief Editor Teacher Editors and Student Editors, whose dedication and vision have shaped this edition. Their efforts have ensured that the magazine is not only a platform for literary expression but also a showcase of innovative presentation.

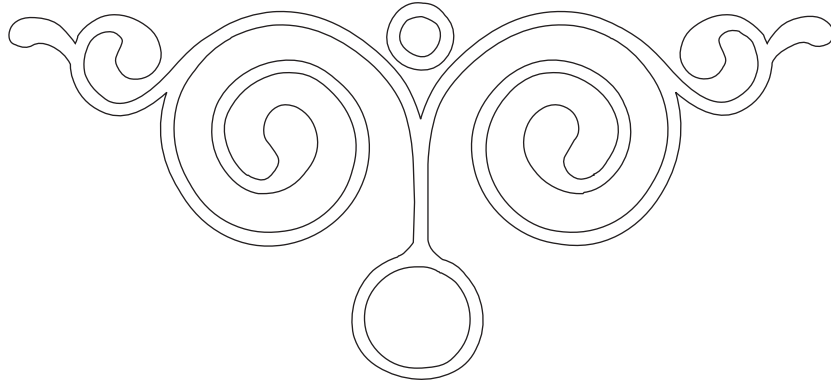

While writing skills remain the cornerstone of selection, I believe that creativity in presentation adds a unique charm. In this spirit, Pryaas embraces raw and authentic submissions—handwritten articles, decorated borders, and imaginative designs—that highlight the individuality of our contributors. Each page is a testament to the diverse talents and perspectives within our college.

I hope that Pryaas will leave a lasting impression, inspiring readers and contributors alike. May it serve as a reminder that creativity, when nurtured, becomes a legacy.

Dr. Kuldip Singh

Words & Wonders

English Section

“The English language is a work in progress.

Have fun with it” - Jonathan Culver

Teacher Editor

Dear Readers,

Words have a quiet power. They build bridges between minds, turn thoughts into revolutions, and transform ordinary moments into stories worth remembering. It is my privilege to welcome you to the English Section of this year's college magazine.

Within these pages, you'll discover poems that speak of dreams and doubts, essays that question and celebrate the world we live in, and short stories that hold up a mirror to our times. Each piece is a glimpse into the imagination and honesty of our students — unfiltered, unafraid, and uniquely their own.

In an age of quick texts and fleeting reels, literature reminds us to pause. To feel deeply. To think critically. To listen to voices beyond our own. The English language, with all its richness, gives us the tools to do exactly that.

I am grateful to every contributor who trusted us with their words, to the faculty mentors who guided them, and to the editorial team whose patience and passion stitched this section together.

I hope these pages make you smile, think, and maybe even write something of your own. Because every great writer was once a reader who dared to pick up a pen.

Happy Reading!

Shilpa Kochhar
Editor, English Section

Student Editor

Presenting the English Section of our college magazine.

This section reflects the thoughts, imagination, and creativity of students from our department. English lives in every story we read, every word we share, and every emotion we express. These pages are our attempt to bring that spirit to life.

I extend my heartfelt thanks to all students who contributed their work and to our teachers for their unwavering guidance and support.

I hope this section inspires you as much as it inspired us to create it.

The Menace of Online Blackmail: A Growing Concern for Girls

The proliferation of social media and online communication has transformed the way students interact and live their lives. However, this increased reliance on the digital world has also led to a surge in cybercrimes, with online blackmail of girls emerging as a pressing issue that demands immediate attention.

Online blackmail is a heinous crime where individuals, often using fake social media profiles, exploit a person's private content, including photos, videos, and personal chats to coerce them into complying with their demands. These demands can range from monetary extortion to favors or even silence. Girls are disproportionately targeted through online relationships, friendship requests and other forms of digital deception.

The impact of online blackmail on its victims is profound and far-reaching. It leads to mental stress, fear, anxiety, and depression, often causing social isolation. The shame and fear of societal judgment prevent many victims from speaking out, allowing these crimes to continue unchecked. It is imperative that society shifts its focus from blaming the victims to supporting them, fostering an environment where they feel safe and empowered to report these incidents.

In conclusion, online blackmail is a serious digital crime that requires urgent attention and collective action. By raising awareness and promoting a culture of empathy and understanding, we can work towards creating a safer online space for everyone.

Gender Equality: A Path to a Fairer Society

Gender equality is a fundamental human right that ensures men and women have equal rights, responsibilities, and opportunities in all areas of life. It is essential for building a fair and developed society. However, in many parts of the world, women continue to face discrimination in education, employment, healthcare, and decision-making processes.

Gender stereotypes often limit the potential of both men and women, perpetuating inequality and injustice. For instance, women are often expected to prioritize household work, while men are pressured to be strong and unemotional. Such thinking hinders progress and reinforces harmful norms.

Education plays a vital role in achieving gender equality. When girls receive proper education, they become independent, confident, and capable of contributing to society. Equal access to education and employment helps reduce poverty and promotes economic growth. Governments and organizations are taking steps to promote gender equality through laws, policies, and awareness programs.

However, real change begins at home and in society. Respect, equal treatment, and shared responsibilities between men and women can create a balanced and progressive world. By challenging stereotypes and promoting equal opportunities, we can build a stronger and more peaceful society.

In conclusion, gender equality is not just a women's issue, but a human issue. A society that treats everyone equally becomes more prosperous and harmonious. It is time for collective action to ensure that everyone, regardless of gender, can thrive and reach their full potential.

Mental Health Awareness

Mental health refers to a person's emotional, psychological, and social well-being. It affects how we think, feel, act and handle stress in daily life. Mental health awareness is important because many people suffer silently due to fear, stigma, or lack of understanding.

In today's fast-paced world, problems like stress, anxiety, depression, and loneliness are increasing, especially among students and working professionals. Pressure from studies, work, and social media negatively affects mental health. Unfortunately, mental health issues are often ignored or misunderstood.

Mental health awareness helps people recognize early signs of mental illness and seek help without shame. Talking openly, providing emotional support, and spreading correct information can reduce stigma. Schools, colleges, and counseling services play an important role through awareness and stress management programs.

Maintaining good mental health is as important as physical health. Simple habits like regular exercise, proper sleep, healthy food, meditation, and sharing feelings with trusted people can improve mental well-being.

In conclusion, mental health awareness saves lives. A caring and understanding society can help individuals live happier, healthier, and more productive lives.

Climate Change And Its Effects

Climate change is one of the most serious challenges facing the world today. It refers to long-term changes in temperature, rainfall and weather patterns mainly caused by human activities such as burning fossil fuels, deforestation, and industrial pollution. These activities increase the amount of green-house gases in the atmosphere, leading to global warming.

One of the major effects of climate change is the rise in global temperature. This has caused melting of glaciers and polar ice caps, resulting in a rise in sea levels. Many coastal areas and island nations are at risk of flooding. Extreme weather events such as cyclones, intense heat waves, floods, droughts, and wildfires have become more frequent and intense due to climate change.

Climate change also has a serious impact on agriculture and food security. Irregular rainfall and changing seasons affect crop production, leading to food shortages and higher prices especially in developing countries that suffer huge losses. In addition to climate change, many plant and animal species are losing their natural habitats and facing the danger of extinction. Human health is also affected by climate change. Rising temperatures increase the spread of diseases, heat related illnesses, and water shortages. Poor communities are the most vulnerable because they have to adapt to these changes.

CYBER SECURITY THE BIGGEST CHALLENGE OF THE DIGITAL AGE

INTRODUCTION

The present era is the age of digital revolution. Banking, education, healthcare, business and communication all depend heavily on internet technology. However, along with the rapid growth of digital services, cyber crimes have also increased. As a reality, cyber security has become one of the most serious challenges of the modern world.

WHAT IS CYBER SECURITY

Cyber Security refers to the protection of computers, networks, servers and digital devices, including digital data from cyber threats such as hacking, viruses and phishing. Its main objective is to safeguard personal, organizational and national information.

TYPES OF CYBER THREATS

Today, cyber crimes occur in many forms, including:

Online fraud and phishing attacks, social media account hacking, banking and UPI fraud, data theft and identity theft. These threats not only financial loss but also mental stress and a sense of insecurity in society.

Cyber Security Scenario in India with the rapid rise of digital payments and online services, cyber attacks in India have also increased. The government has launched initiatives like Digital India, the cyber crime reporting portal and awareness and personal caution are equally important. Measures to Ensure cyber Security to stay safe in the digital world. Some simple yet effective measures can be adopted:

Use a strong password and enable two factor authentication. Avoid clicking on unknown links and suspicious emails. Never share OTP, password or personal details online. Keep software and Apps regularly updated.

CONCLUSION

Cyber Security is not just a technical issue, it is a social and national responsibility. With the digital age, awareness, caution and responsible use of technology are the strongest tools to prevent cyber crimes.

Women Empowerment

Women empowerment means giving women equal rights, opportunities, and freedom to make decisions in all areas of life. It is essential for the social, economic, and cultural development of a country. An empowered woman can contribute positively to her family, society, and nation.

In many parts of the world, women still face discrimination in education, employment, and healthcare. Lack of education, social customs, and gender inequality prevent women from achieving their full potential. Empowering women through education and skill development helps them become independent and confident.

Women empowerment leads to a healthier society and a stronger economy. Educated and empowered women raise educated children and support national progress. Governments and organizations are taking steps to promote women's rights through laws, schemes, and awareness programs. In conclusion, women empowerment is not only about women's development but also about the progress of the entire nation. Equal respect and opportunities for all men and women are necessary to build a just and developed society.

IMPORTANCE OF EDUCATION

Importance of education:- Education is the foundation of personal growth, social development, and national progress. It empowers individuals with knowledge, skills, and values, enabling them to face challenges and make informed decisions. An educated person can think critically, solve problems, and contribute positively to society. Education also plays a crucial role in eradicating social evils such as poverty, inequality, and discrimination. It opens doors to better career opportunities and economic stability, helping individuals achieve their goals. Moreover, education promotes awareness about health, environment, and civic responsibilities, making citizens responsible and conscious of their actions. In today's competitive world, education is not just about academic learning but also about developing creativity, innovation, and moral values. Countries with higher literacy and education levels tend to progress faster in technology, industry, and governance. In conclusion, education is the key to personal success and the development of a strong, informed, and progressive society. Education is not just about reading or writing; it is a powerful tool for personal growth, and contributes to a better and more progressive society.

B. A 3rd year

Corruption in India

Corruption is a serious problem in India. It means misuse of power by people in authority for personal benefit. Bribery, favoritism, and misuse of public money are common forms of corruption. It exists in many areas such as politics, education, police, and administration.

Corruption slows down national development. Money meant for public welfare does not reach the poor, which increases poverty and inequality. Honest people suffer, while corrupt individuals gain unfair advantages.

Lack of transparency, greed, and weak law enforcement are major causes of corruption. To reduce corruption, strict laws, honest leadership, and public awareness are necessary. Citizens should refuse to give or take bribes.

In conclusion, corruption harms society and democracy. A corruption-free India is essential for the progress and well-being of the nation.

Digital India: Transforming Everyday Life

Introduction: Digital India is one of the most ambitious initiatives launched by the Government of India to transform the country into a digitally empowered society and knowledge-based economy. With the rapid expansion of the internet and digital technologies, this initiative has significantly changed the way people live, work, and communicate in their daily lives.

Digital India and Public Services: One of the major achievements of Digital India is the easy access to government services. Services like Aadhaar, DigiLocker, online ration cards, and digital certificates have reduced paperwork and increased transparency. Citizens can now apply for documents, pay bills, and access welfare schemes online, saving both time and effort.

Impact on Banking and Payments: Digital India has revolutionized banking. UPI, mobile wallets, and digital payments have made financial activities faster, safer, and more convenient. Even small shopkeepers and street vendors now accept digital payments, promoting financial inclusion.

Role in Education and Healthcare: In education, online classes, e-learning platforms, and digital libraries have expanded learning opportunities. In healthcare, telemedicine and online consultations have improved access to medical services, especially in rural and remote areas.

Empowerment of Rural India: Digital India has helped bridge the gap between urban and rural areas. Internet connectivity, Common Service Centres (CSCs), and digital awareness programs have empowered rural citizens by providing access to information, services, and employment opportunities.

B. A 3rd

VALUE OF TIME

Time is the most precious gift of life. It is something that everyone has in equal amount, yet only a few people use it wisely. Once time is lost, it can never be recovered. Money, health, and opportunities may return, but time never come back. Therefore, understanding the value of time is very important for a successful and meaningful life. Time play a vital role in shaping our personality. A person who respects time learns how to plan work properly and complete takes on time. Students who use their time well can perform better in studies, develop good habits, and build a bright future. Similarly, professionals who manage time efficiently are more successful in their careers. On the other hand, wasting time leads to failure, stress, and regret. Procrastination is the biggest enemy of time. When we delay our work, we lose valuable opportunities and reduce our productivity. Even a small loss of time, if repeated daily, can cause big damage in the long run. Time is also important for personal growth. Using time wisely helps us improve our skills, gain knowledge, and maintain a balance between work and rest. Every moment of time gives us a chance to learn something new and become better human beings. In conclusion, time is life itself. Those who value time are valued by society. Therefore, we should understand the importance of time and make the best use of every moment to achieve success and happiness in life.

Commerce & Planning Section

Teacher Editor

Dear Readers,

It gives me immense pleasure to present to you the Commerce Section of this year's college magazine. Commerce is not just about numbers, balance sheets, and market trends. It is about ideas, innovation, and the art of creating value in an ever-changing world.

In these pages, you will find the voices of our budding economists, entrepreneurs, and analysts who have dared to question, explore, and express. From insights on digital payments and start-up culture to reflections on sustainability in business, our students have captured the pulse of modern commerce with clarity and conviction.

The B.Com journey teaches us discipline, but it is curiosity that shapes leaders. I urge each one of you to look beyond textbooks. Observe the market around you, understand the economy in your daily chai stall, and find business lessons in everyday life. Because true commerce lies in solving real problems for real people.

I extend my heartfelt thanks to all the contributors, faculty mentors, and the editorial team whose dedication has brought this section to life. Your creativity and hard work are the real assets on our balance sheet.

May this section inspire you to think bigger, act bolder, and trade in ideas that matter.

Happy Reading!

Dr. Mamta
Editor, Commerce Section

Student Editor

Welcome to the Commerce Section of our college magazine.

This section is a collection of thoughts, ideas, and insights from the students of our department. Commerce is all around us in the businesses we see, the choices we make, and the economy we live in. Through these pages, we have tried to capture that.

I'm thankful to all the students who contributed their articles and to our teachers for their constant guidance.

I hope you enjoy reading this section as much as we enjoyed creating it.

Ritika

The Rise of E-commerce In India

The e-commerce industry in India has witnessed tremendous growth, driven by increased internet penetration, smartphone adoption, and changing consumer behavior. With a growing middle class and increasing digital literacy, online shopping has become a norm. Major e-commerce platforms like Amazon, Flipkart, and Myntra have expanded rapidly, offering a wide range of products and services, from electronics and fashion to groceries and pharmaceuticals.

The rise of e-commerce has significantly impacted traditional retail, pushing brick-and-mortar stores to adapt and innovate. Many retailers are now adopting omnichannel strategies, integrating online and offline experiences to provide seamless shopping experiences. The shift to e-commerce also presents opportunities for entrepreneurs and small businesses to reach a broader audience, with platforms like Shopify and WooCommerce enabling easy setup of online stores.

E-commerce growth is also driven by digital payments and logistics advancements. Services like UPI and digital wallets have made transactions easier, while improved logistics ensure faster deliveries. However, challenges like data security, customer trust, and regulatory compliance remain critical for e-commerce success.

The future of e-commerce in India looks promising, with emerging trends like social commerce and personalized shopping experiences gaining traction. Businesses must focus on customer-centric strategies to thrive in this competitive landscape. Sustainability and ethical practices are also becoming important factors for consumers.

E-commerce platforms are also investing in technologies like AI and machine learning to enhance customer experiences. Personalized recommendations, chatbots, and predictive analytics are becoming standard features. The use of augmented reality (AR) and virtual reality (VR) is also expected to revolutionize online shopping.

The Indian government's initiatives like Digital India and Make in India are further boosting e-commerce growth. These initiatives aim to promote digital literacy, improve infrastructure, and encourage local manufacturing. E-commerce companies are leveraging these opportunities to expand their reach and offerings.

However, e-commerce also faces challenges like intense competition, thin margins, and regulatory hurdles. Companies must navigate complex tax structures, data localization norms, and consumer protection laws. Adapting to these regulations while maintaining growth is a key challenge.

The impact of e-commerce on employment is also significant. While it creates jobs in logistics, technology, and digital marketing, it also disrupts traditional retail jobs. Balancing growth with social responsibility is crucial for sustainable success. E-commerce platforms are also focusing on sustainability initiatives like reducing packaging waste, promoting eco-friendly products, and optimizing logistics for lower emissions. Consumers are increasingly preferring brands that demonstrate environmental commitment.

The COVID-19 pandemic accelerated e-commerce adoption in India, with many consumers shifting to online shopping for the first time. This trend is likely to continue, with e-commerce becoming an integral part of the Indian retail landscape.

In conclusion, the rise of e-commerce in India presents vast opportunities for businesses and consumers alike. With continued innovation, focus on customer needs, and adherence to regulations, e-commerce is set to shape the future of retail in India.

Sumit Tiwari
(B.com 3rd)

Sustainable Business Practice

Sustainable business practices are becoming increasingly important as companies recognize their environmental and social impact. Sustainability encompasses reducing carbon footprints, promoting ethical supply chains, minimizing waste, and ensuring fair labor practices. Companies like Patagonia and IKEA have successfully integrated sustainability into their core strategies, benefiting both the environment and their brand reputation.

Adopting sustainable practices can lead to cost savings, improved customer loyalty, and compliance with regulations. Businesses can start by conducting sustainability audits, setting clear goals, and engaging stakeholders. Governments also play a role by incentivizing green practices and enforcing environmental laws.

Sustainability also involves social responsibility, like supporting local communities and promoting diversity. Companies embracing sustainability often see enhanced brand value and employee engagement, driving long-term success. The triple bottom line approach—people, planet, and profit—is key to sustainable business growth.

Businesses must also communicate their sustainability efforts transparently to build trust with consumers. Sustainability reporting and certifications can help companies showcase their commitment. Initiatives like carbon offsetting, renewable energy adoption, and circular economy models are gaining traction.

Sustainable supply chains are crucial for reducing environmental impact. Companies are focusing on sourcing materials responsibly, reducing waste, and ensuring fair labor conditions. Transparency in supply chains builds consumer trust and mitigates risks.

The circular economy concept is reshaping business models, encouraging reuse, recycling, and reducing waste. Companies like H&M and Apple are incorporating circular practices into their operations. Designing products for longevity and recyclability is becoming a priority.

Consumers are increasingly preferring sustainable products, driving demand for eco-friendly options. Businesses responding to this shift can gain a competitive edge. Green marketing and certifications like Fairtrade or B Corp help communicate sustainability credentials.

Sustainability is also linked to innovation, with companies developing new products and services that address environmental challenges. Electric vehicles, biodegradable packaging, and renewable energy solutions are examples of sustainable innovations.

Governments worldwide are implementing stricter environmental regulations, pushing businesses to adopt sustainable practices. Compliance with these norms is essential for avoiding penalties and building credibility.

Employees also drive sustainability initiatives within companies, advocating for green policies and practices. Engaging employees in sustainability goals enhances motivation and fosters a culture of responsibility.

In conclusion, sustainable business practices are no longer optional but a necessity for long-term success. Companies integrating sustainability into their core strategies are better positioned to thrive in a changing world.

Muskan
(B.com 3rd)

The Impact Of Digital Marketing on business

Digital marketing has transformed how businesses reach and engage customers. Channels like social media, SEO, email marketing, and content marketing allow targeted and measurable outreach. Companies can build brand awareness, drive sales, and gather valuable customer insights through digital tools.

Effective digital marketing requires understanding audience behavior, creating relevant content, and adapting to platform changes. Businesses leveraging digital marketing can gain a competitive edge and expand their reach globally. Trends like influencer marketing, video content, and AI-driven personalization are shaping future strategies.

Data analytics is crucial in digital marketing, helping businesses optimize campaigns and measure ROI. Staying updated with digital trends ensures businesses remain relevant and effective in their marketing efforts. The shift to digital also requires agility and continuous learning.

Digital marketing also raises questions about data privacy and ethical practices. Businesses must ensure compliance with regulations like GDPR and build trust with their audience. Transparency in data usage and respecting user preferences are essential.

Content quality and relevance are key to digital marketing success. Businesses must focus on creating valuable, engaging content that resonates with their audience. Storytelling and authentic messaging build stronger connections with customers.

Social media platforms are central to digital marketing, offering vast reach and engagement opportunities. Companies must choose platforms aligned with their target audience and goals. Paid advertising on social media allows precise targeting and measurable results.

Influencer marketing is also gaining prominence, with businesses partnering with influencers to reach niche audiences. Authentic collaborations and aligning with relevant influencers enhance credibility.

The future of digital marketing will be shaped by emerging technologies like AI, VR, and voice search. Businesses must stay adaptable and leverage these tools to enhance customer experiences. Personalization and interactivity will define the next wave of digital marketing.

In conclusion, digital marketing is a powerful tool for businesses to connect with customers and drive growth. With continuous innovation and focus on ethics, companies can harness its full potential.

Meenakshi
(B.com 3rd)

Women In Entrepreneurship

Women entrepreneurs are making significant contributions to various industries, breaking barriers and inspiring others. Despite challenges like funding gaps, societal expectations, and work-life balance, many women-led businesses thrive through innovation and resilience. Initiatives like women-focused incubators, mentorship programs, and networking groups support their growth.

Highlighting women entrepreneurs like Kiran Mazumdar-Shaw (Biocon) and Falguni Nayar (Nykaa) showcases their impact and strategies for success. Encouraging more women to pursue entrepreneurship can drive economic growth, diversity, and innovation.

Women entrepreneurs often bring unique perspectives, focusing on collaboration and social impact. Supporting women in business leads to more inclusive and dynamic economies. Addressing gender biases and providing equal opportunities are essential for empowering women entrepreneurs.

Women-led businesses also contribute to community development and social change, creating a ripple effect of positive impact. Many women entrepreneurs prioritize sustainability and ethical practices, setting examples for others.

Access to funding remains a critical challenge for women entrepreneurs. Initiatives like women-specific venture funds and grants are helping bridge this gap. Financial inclusion and literacy programs also support women in business.

Networking and mentorship are vital for women entrepreneurs, providing guidance and opportunities. Platforms like Women in Tech or Women Entrepreneurship groups offer valuable connections. Role models and success stories inspire others to pursue entrepreneurial dreams.

The future of women in entrepreneurship looks promising, with increasing support and recognition. Governments and organizations are implementing policies to promote gender equality in business. Creating an inclusive ecosystem is key to unlocking women's potential.

In conclusion, women entrepreneurs are driving change and innovation across industries. With continued support and opportunities, their impact will only grow stronger.

The Future Of Finance: Trends And Predictions

The finance sector is evolving with fintech innovations, blockchain, and cryptocurrency gaining traction. These technologies promise increased efficiency, security, and financial inclusion. However, they also pose regulatory and security challenges that require careful navigation.

Trends like decentralized finance (DeFi), digital payments, and robo-advisors are reshaping financial services. Businesses and investors must stay informed to leverage opportunities and manage risks in this dynamic landscape. The shift to digital finance also raises questions about privacy, security, and equitable access.

Emerging technologies like AI and machine learning will further transform finance, enhancing fraud detection, risk management, and customer service. The future of finance will.

Pooja
(B.com 3rd)

The Importance of Financial Literacy

Financial literacy is crucial for making informed decisions about money management, investments, and financial planning. It empowers individuals to achieve financial stability and security. Topics like budgeting, saving, investing, and managing debt are essential for financial literacy.

Financial literacy helps individuals understand financial products and services, enabling them to make smart choices. It also promotes responsible financial behavior, reducing the risk of financial crises. Governments and organizations are promoting financial literacy initiatives to improve economic well-being.

In India, financial literacy is gaining importance with increasing access to financial services. Programs like financial inclusion and digital payments are driving this trend. Individuals must focus on building financial knowledge to secure their future.

Financial literacy includes understanding concepts like compound interest, inflation, and risk diversification. It also involves knowing about financial instruments like stocks, bonds, and mutual funds. Educating oneself about these topics leads to better financial decisions.

Budgeting is a key aspect of financial literacy. Tracking income and expenses helps individuals manage money effectively. Tools like budgeting apps and spreadsheets simplify this process.

Saving and investing are also critical components. Building an emergency fund and planning for retirement are essential financial goals. Investment options like fixed deposits, PPF, and NPS offer avenues for growth.

Managing debt is another important aspect. Understanding interest rates and repayment terms helps individuals handle loans responsibly. Avoiding excessive debt and prioritizing repayments lead to financial stability.

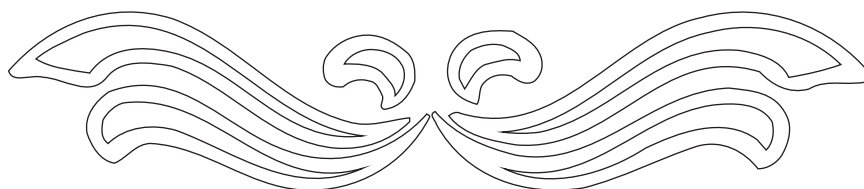

Financial literacy also involves understanding insurance and risk management. Protecting oneself against unforeseen events like accidents or illnesses is crucial. Products like health insurance and life insurance provide security.

The digital age has made financial services more accessible. Online banking, UPI, and digital wallets are reshaping financial interactions. However, cybersecurity and fraud risks require caution.

Financial literacy is a lifelong journey. Continuous learning and adapting to changes are essential. Resources like financial courses, books, and advisors can help build expertise.

conclusion-financial literacy empowers individuals to achieve financial goals and secure their future. With increasing financial complexities, building this knowledge is more important than ever

Archna Yadav
(B.Com 3rd)

Emerging Trends in Human Resource Management

HRM is evolving with trends like AI-driven recruitment, remote work policies, and employee well-being initiatives. Companies focusing on employee experience and diversity are seeing improved productivity and retention. The future of HRM will be shaped by technology and changing workforce expectations.

AI and automation are transforming HR processes. Tools like chatbots and predictive analytics streamline recruitment and performance management. HR professionals must leverage these technologies to enhance efficiency.

Remote work is reshaping HR strategies. Policies for flexible work, communication tools, and virtual team-building are crucial. Managing remote teams requires focus on outcomes and employee engagement.

Employee well-being is gaining priority. Initiatives like mental health support, wellness programs, and work-life balance drive engagement. Companies investing in well-being see reduced burnout and higher retention.

Diversity and inclusion are also key HR focuses. Promoting equal opportunities and inclusive cultures enhances creativity and innovation. Training programs and diverse hiring practices support these goals.

HR analytics is becoming essential for data-driven decisions. Metrics like employee turnover and engagement help optimize strategies. Leveraging data leads to proactive HR management.

The gig economy and changing workforce demographics require adaptable HR policies. Balancing flexibility with employee needs is crucial. HR must address gig workers' rights and benefits.

Leadership development is another HR priority. Identifying potential leaders and providing growth opportunities ensures succession planning. Coaching and mentoring programs build leadership pipelines.

HR technology like HRMS and people analytics tools streamline processes. Cloud-based solutions offer scalability and accessibility. HR professionals must stay updated with tech advancements.

conclusion- HRM is evolving rapidly with technology and changing workforce dynamics. Adapting to these trends ensures HR contributes effectively to business success.

Naina Giri
(B.com 3rd)

The Role of Innovation In Business Growth

Innovation drives business growth by enabling companies to adapt to changing markets and customer needs. Trends like product innovation, process optimization, and business model innovation are key to staying competitive. Companies like Tesla and Amazon showcase innovation's impact on success.

Product innovation involves creating new or improved products. Understanding customer pain points and market gaps leads to successful innovations. Design thinking and customer feedback drive product development.

Process innovation focuses on improving operational efficiency. Lean management and automation enhance productivity and reduce costs. Streamlined processes lead to better resource utilization.

Business model innovation involves rethinking revenue streams and value propositions. Subscription models and freemium services are examples of innovative approaches. Adapting business models to digital trends ensures relevance.

Open innovation leverages external ideas and partnerships. Collaborating with startups, universities, and customers fosters creativity. Crowdsourcing and hackathons are tools for open innovation.

Innovation requires a culture that encourages risk-taking and experimentation. Leadership support and resources drive innovative efforts. Google's 20% time policy exemplifies fostering innovation.

Intellectual property protection is crucial for safeguarding innovations. Patents, trademarks, and copyrights secure competitive advantages. Companies must strategize IP management effectively.

Innovation also involves sustainability and social impact. Eco-friendly products and ethical practices resonate with conscious consumers. Purpose-driven innovation builds brand loyalty.

The digital transformation wave is pushing companies to innovate. Technologies like AI, IoT, and blockchain enable new possibilities. Businesses must embrace digital innovation to thrive.

conclusion- innovation is a key driver of business growth and competitiveness. Companies prioritizing innovation are better positioned to navigate changes and seize opportunities.

Kavita
(B. com 3rd)

Understanding and Managing Business risks

Business risks include financial, operational, strategic, and compliance risks. Effective risk management involves identifying, assessing, and mitigating these risks. Tools like risk matrices and insurance help businesses navigate uncertainties and protect their interests.

Financial risks involve cash flow volatility and market fluctuations. Hedging strategies and diversification reduce financial exposure. Companies must monitor financial health indicators like liquidity ratios.

Operational risks include supply chain disruptions and technology failures. Business continuity plans and redundancy measures mitigate these risks. Employee training and process reviews enhance operational resilience.

Strategic risks involve market changes and competitive pressures. Scenario planning and agility help businesses adapt. Companies must stay alert to industry trends and customer shifts.

Compliance risks involve legal and regulatory challenges. Staying updated with laws and standards avoids penalties. Compliance audits and clear policies ensure adherence.

Risk assessment tools like SWOT analysis and risk heat maps identify vulnerabilities. Quantifying risks helps prioritize mitigation efforts. Companies must integrate risk management into decision-making.

Insurance is a key risk mitigation tool. Coverage for assets, liability, and business interruption provides security. Businesses must choose policies aligned with their risk profile.

Cybersecurity risks are growing with digital adoption. Protecting data and systems requires robust measures. Encryption, firewalls, and employee awareness drive cybersecurity.

In conclusion, managing business risks is essential for sustainability and growth. Proactive risk strategies ensure businesses navigate uncertainties effectively.

Ashutosh
(B.Com 3rd)

The Impact of Globalisation on Business

Globalization offers businesses opportunities like expanded markets, access to talent, and cost efficiencies. However, it also brings challenges like cultural differences, regulatory complexities, and geopolitical risks. Companies must strategize to leverage globalization's benefits while managing risks.

Market expansion through globalization opens new revenue streams. Understanding local preferences and adapting products ensures success. Companies like Coca-Cola and Apple showcase global strategies.

Access to global talent enhances innovation and skills. Hiring diverse teams and promoting inclusion drive creativity. Companies must navigate visa norms and local labor laws.

Global supply chains offer cost benefits and efficiency. However, disruptions like trade wars or pandemics require contingency plans. Diversifying suppliers and building resilience is crucial.

Cultural intelligence is key to global business success. Adapting to local norms and communication styles builds trust. Training programs and local partnerships enhance cultural understanding.

Regulatory compliance across countries is complex. Understanding tax laws, labor norms, and data privacy rules is essential. Legal teams and local experts help navigate these challenges.

Geopolitical risks like trade tensions and political instability impact global business. Scenario planning and risk assessments help mitigate these challenges. Companies must stay agile and informed.

Globalization also raises sustainability and ethical concerns. Companies must address issues like fair trade and environmental impact. Responsible practices build global credibility.

Digital platforms are enabling globalization for SMEs. E-commerce and digital marketing expand reach without heavy investments. Leveraging digital tools ensures global competitiveness.

In conclusion, globalization offers vast opportunities but requires careful strategy. Businesses balancing global ambitions with local nuances thrive in this landscape.

Career Opportunities After B.Com

Introduction

Bachelor of Commerce (B.Com) is one of the most popular undergraduate courses in commerce. It provides basic knowledge of accounting, finance, business, and management. After completing B.Com, students have various career opportunities in different fields depending on their interest and skills.

Job Opportunities After B.Com

After B.Com, students can apply for entry-level jobs such as Junior Accountant, Accounts Assistant, Banking Assistant, Office Executive, and Sales Executive. These jobs help students gain practical experience and understand real business work. Many students also prepare for government exams like Banking, SSC, and State Government jobs.

Higher Education and Professional Courses

Students who want to study further can choose courses like M.Com and MBA. Professional courses such as CA, CMA, and CS are also good options for students who are interested in finance and corporate fields. Short-term courses in Tally, GST, Income Tax, and Accounting Software also improve practical skills.

Skill-Based and Self-Employment Options

B.Com students can build careers through skill-based courses like Digital Marketing, Data Analysis, and Online Accounting. Freelancing and small business activities are also becoming popular. These options allow students to earn and grow with experience.

Conclusion

B.Com offers many career paths in jobs, higher studies, and self-employment. With proper planning, skill development, and hard work, students can build a successful career after B.Com, even from a small or government college.

Importance of Banking System in Indian Economy

Introduction

The banking system plays a central role in the Indian economy. It acts as the backbone of financial activities by linking savings with investment. Banks support individuals, businesses, and the government by providing financial services that help economic growth and stability.

Mobilisation of Savings

Banks encourage people to save money by offering different types of accounts such as savings, current, and fixed deposits. People deposit their extra money in banks for safety and future use. Banks then use this money to provide loans for business, agriculture, education, and other productive activities, which helps in the economic growth of the country.

Support to Trade, Industry, and Agriculture

Banks provide credit to farmers, traders, small businesses, and large industries. Agricultural loans help farmers buy seeds, fertilizers, and equipment. Industrial and business loans support production, employment, and expansion, which directly contribute to economic development.

Promotion of Economic Development

Through priority sector lending, banks support weaker sections of society, small-scale industries, and rural development. Government schemes like Jan Dhan Yojana, Mudra loans, and direct benefit transfers are implemented effectively with the help of banks.

Facilitation of Payments and Digital Economy

Banks make transactions easy and safe through cheques, debit cards, net banking, UPI, and mobile banking. This promotes a cashless economy, reduces transaction costs, and increases transparency in financial activities.

Conclusion

The banking system is essential for the smooth functioning and growth of the Indian economy. By mobilising savings, providing credit, supporting development, and promoting digital transactions, banks contribute significantly to economic progress and financial inclusion in India.

Role of Commerce Education in Nation Building

Introduction

Commerce education plays a vital role in the progress of a nation. It provides practical knowledge related to business, finance, trade, and management. By developing economic understanding and professional skills among students, commerce education helps strengthen the financial system and supports overall national development.

Development of Skilled Professionals

Commerce education prepares students for professional roles such as accountants, bankers, managers, auditors, and administrators. These skilled professionals ensure efficient management of financial resources in businesses, institutions, and government organizations, which is essential for a stable and growing economy.

Contribution to Economic Growth

Subjects like accounting, economics, taxation, and business laws help students understand how economic activities are managed. This knowledge supports transparent business practices, proper financial planning, and legal compliance, which contribute to steady economic growth and employment generation.

Encouragement of Entrepreneurship

Commerce education encourages entrepreneurship by teaching the basics of business planning, marketing, and financial management. Entrepreneurs create new enterprises, generate jobs, and promote innovation, which plays an important role in balanced economic development.

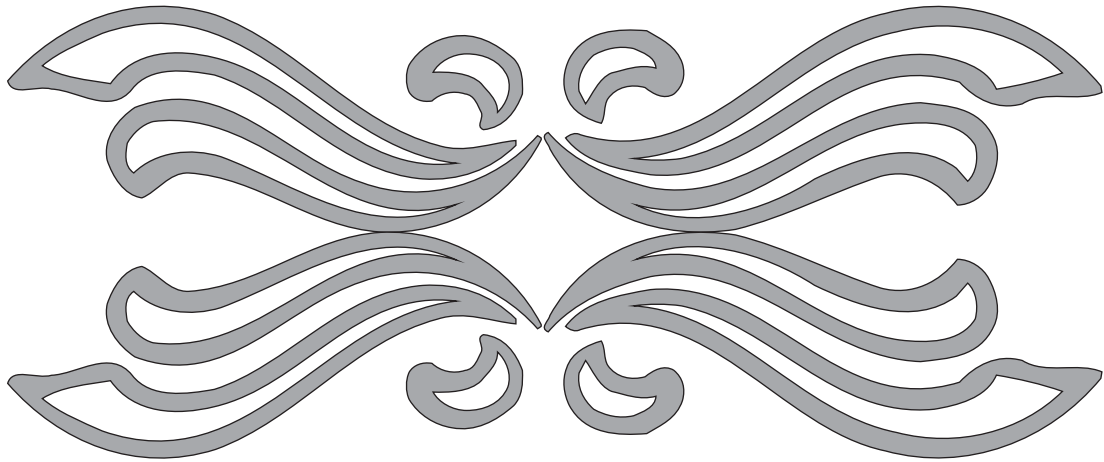

Financial Awareness and Ethical Values

Commerce education promotes financial literacy, ethical business behavior, and responsible decision-making. It helps individuals understand savings, investment, taxation, and budgeting, leading to financial discipline and trust in the economic system.

Conclusion

In conclusion, commerce education is a strong foundation of nation building. It develops skilled human resources, supports economic growth, encourages entrepreneurship, and promotes financial awareness. Strengthening commerce education contributes to long-term economic stability and national progress.

Chronicle Section

2025-26

Message from the Editor

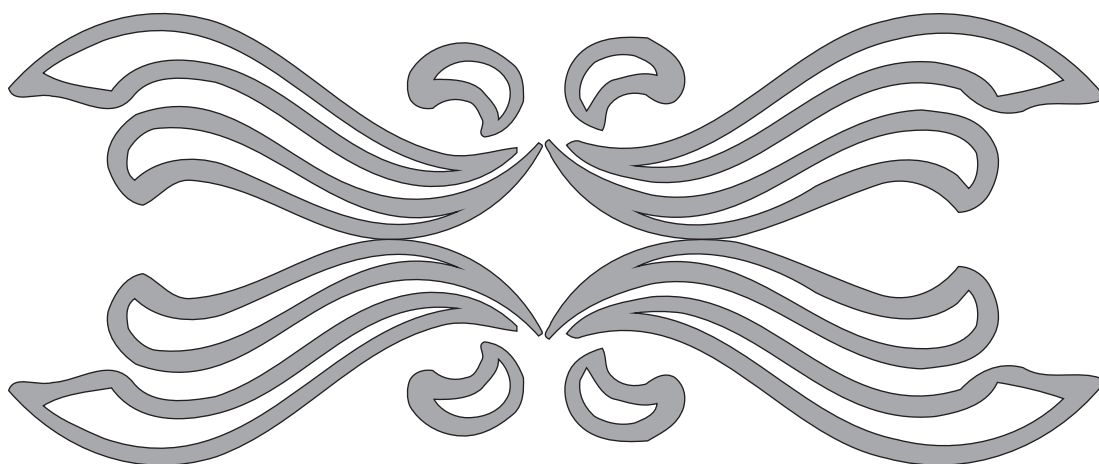

The Chronicle section of our college magazine reflects the important events, achievements, and memorable moments of our institution throughout the year. It highlights not only various activities and programmes but also the enthusiasm, creativity, and teamwork of students and faculty members.

Every cultural event, sports activity, and academic programme included here is a part of our shared journey. This section preserves these memories for faculty and students to cherish in the future.

I sincerely thank the conveners of different clubs, societies, and departments, along with all the students, for their valuable contributions in making these events successful and this compilation possible. Your dedication and hard work have added meaning to these pages.

I hope this section reminds us of the learning, growth, and shared experiences. May it continue to inspire us to strive for excellence and contribute meaningfully to our institution and society.

Editor, Chronicle Section

Chronicle 2025–26
Government Degree College Barotiwala

The academic session 2025–26 at Government Degree College Barotiwala unfolded as a vibrant journey of academic excellence, cultural dynamism, social responsibility, and community engagement. The institution remained steadfast in its commitment to holistic development, ensuring that students grew not only intellectually but also socially, morally, and professionally.

Presented below is a month-wise chronicle of the major events and achievements of the session.

June 2025 – Commitment to Environment and Wellness

13 June 2025 – Plantation Drive: “Ek Ped Maa Ke Naam”

The Eco Club initiated the session's environmental activities with a plantation drive within the college campus. Students planted saplings as a symbolic gesture of gratitude toward nature and pledged to nurture them responsibly. The initiative reinforced environmental consciousness and encouraged sustainable practices among students.

21 June 2025 – International Yoga Day (NSS)

The NSS Unit celebrated International Yoga Day with the theme “Yoga for One Earth, One Health.” Students and faculty participated enthusiastically in yoga sessions emphasizing physical fitness, mental well-being, and the importance of balanced living.

July 2025 – Cleanliness and Social Responsibility

12 July 2025 – Cleanliness Drive (NSS)

During the monsoon season, NSS volunteers organized a campus cleanliness drive. The activity promoted hygiene awareness and instilled a sense of civic responsibility among students. Volunteers worked collectively to maintain a clean and healthy campus environment.

24 July, 2025

A special rovers and rangers orientation session was organized where first year students were given the information about the Rover and Ranger.

August 2025 – Awareness, Patriotism, and Career Orientation

August was marked by socially significant initiatives, national pride, and academic enrichment.

1 August, 2025

Rovers and Rangers celebrated its Scarf Day with great enthusiasm.

4 August 2025 – Mehndi and Rangoli Competition (Women Cell)

The Women Cell organized creative competitions encouraging artistic expression and inclusive participation. The event fostered confidence and celebrated the creative talents of students.

8 August 2025 – Anti-Drug Orientation Programme

The Anti-Drug Club conducted an orientation session for newly admitted students, highlighting the psychological, physical, and social consequences of substance abuse. Interactive discussions helped students understand the long-term implications of addiction and the importance of making responsible choices.

12 August 2025 – HIV-Free Himachal Oath Ceremony (Red Ribbon Club)

An oath ceremony was organized to spread awareness about HIV/AIDS and promote responsible health practices. Students pledged to contribute toward building a stigma-free and informed society.

13 August 2025 – Anti-Drug Pledge Ceremony

Students collectively pledged to remain drug-free and spread awareness within their communities, reinforcing the institution's commitment to a safe and healthy campus.

14 August 2025 – Har Ghar Tiranga Rally (NSS)

A rally was organized to promote national pride and awareness about the significance of the Indian National Flag, with enthusiastic participation from students.

20 & 23 August 2025 – Career Guidance Lectures

The Career Guidance and Placement Cell organized expert lectures on legal studies and soft skills for career growth. These sessions equipped students with knowledge about career pathways and essential professional competencies.

29 August 2025 – National Sports Day

National Sports Day was celebrated in memory of hockey legend Dhyan Chand. The programme commenced with the Fit India Pledge and included sports activities promoting discipline, teamwork, and physical fitness.

30 August 2025 – Tree Plantation Drive (NSS)

A further plantation initiative was organized to reinforce environmental awareness within the campus.

September 2025 – Cultural Vibrancy and Community Outreach

September witnessed dynamic cultural activities and extensive social engagement.

10 September 2025 – Navotsav: Freshers' Welcome Party

The college organized *Navotsav* to warmly welcome new students. Cultural performances, music, and interactive sessions helped freshers integrate into the academic environment and build strong peer connections.

11 & 24 September 2025 – Tree Plantation Drives (NSS)

Medicinal and useful plants such as Neem and Amla were planted to promote ecological sustainability.

13 September 2025 – Hindi Diwas Celebration

Students participated in poetry recitations, speeches, and discussions emphasizing the importance of Hindi in cultural unity and national identity.

16 September 2025 – Ozone Day Awareness Programme

A presentation and lecture were conducted to sensitize students about climate change, ozone depletion, and environmental protection.

19 September 2025 – Industrial Visit

Faculty members visited industries in the Baddi-Barotiwala industrial area, including Lemon Tree Hotel, Baddi, to explore internship and skill development opportunities for students.

29 September 2025 – Anti-Drug Reel-Making Competition

Students created impactful short videos on the theme “Say No to Drugs,” utilizing social media platforms for positive advocacy.

29 September 2025 – Inter-College Nukkad Natak Competition

A team of students represented the college in an inter-college street play competition on drug awareness and secured ****First Prize****, bringing laurels to the institution.

30 September 2025 – Awareness Rally (Anti-Drug & Red Ribbon Club)

A joint rally was conducted to spread awareness about drug abuse and HIV/AIDS prevention among the local community.

October 2025 – Ideals, Dialogue, and Skill Building

3 October 2025 – Gandhi Jayanti Observance

The Departments of Political Science and History organized activities under the theme “Say No to Violence,” inspired by Mahatma Gandhi's ideals. Poster-making, slogan-writing, poetry, and discussions emphasized peace, non-violence, and ethical citizenship.

30 October 2025 – Interview Skills Workshop

In collaboration with Nimbus Academy, Chandigarh, a workshop on interview skills was conducted. Mock interviews provided students with practical exposure to recruitment processes.

November 2025 – Constitutional Values and Youth Engagement

16 November 2025 – Anti-Drug Creative Competitions

Poster-making, slogan-writing, and Rangoli competitions on the theme “Drug-Free Youth, Drug-Free India” encouraged creative advocacy against substance abuse.

24–25 November 2025 – Anti-Drug E-Pledge

Students reaffirmed their commitment to a drug-free India through an online pledge campaign.

26 November 2025 – Constitution Day Celebration

The Department of Political Science organized a lecture on the Preamble and Fundamental Rights of the Indian Constitution. Students prepared charts and posters, followed by a pledge to uphold constitutional values.

28 November 2025 – Special Lecture by Brahma Kumaris

The lecture emphasized meditation, self-discipline, and inner strength as tools to combat addiction and promote moral well-being.

29 November 2025 – Youth Parliament

A Youth Parliament was organized on the theme: ***“Reservation Policy in India: An Instrument of Social Justice or a Barrier to Merit?”*** Students engaged in well-researched, balanced debate, strengthening democratic awareness and analytical skills.

27–30 November 2025 – Inter-College Youth Festival

Twenty students represented the college at the Inter-College Youth Festival organized by Himachal Pradesh University at Government Degree College Bilaspur (HP), marking a proud milestone.

December 2025 – Service and Social Awareness

1 December 2025 – World AIDS Day

Observed through skits, songs, and poster presentations, promoting awareness and compassion.

19 & 23 December 2025 – Career Guidance Lectures

Expert lectures on Media & Mass Communication and Management Studies broadened students' career perspectives.

20–26 December 2025 – NSS Seven-Day Special Camp

The NSS Special Camp focused on community service, cleanliness drives, awareness campaigns, and personality development activities, strengthening leadership and teamwork among volunteers.

January–February 2026 – Professional Exposure and Athletic Excellence

17 January – 4 February 2026 – Internship Programme

Three students completed a two-week internship at Lemon Tree Hotel, Baddi, gaining hands-on vocational training and industry exposure.

17 February 2026 – Annual Athletic Meet

The Annual Athletic Meet witnessed participation of over 110 students in track and field events. The programme concluded with prize distribution and celebration of sportsmanship.

Academic Achievement

The University Examination results (2024–25) reflected academic strength and consistency:

* B.A. II & III** – 100%

* B.Com III** – 100%

* Other classes recorded commendable results above 69%.

These achievements demonstrate the dedication of both students and faculty members.

6. Staff Achievements

The faculty of Government Degree College Barotiwala made significant contributions to research, publications, professional development, and academic excellence during the session 2024–25. Their participation in national and international conferences, workshops, and publications strengthened the academic environment of the college.

1. Dr. Shyam Singh (Department of Hindi)

* Attended 'Bhakti Sahitya evm Shodh Pravriti', organized by the Department of Hindi, Vigyan evm Manviki Sankay, SRMIST, from '3–10 December 2025'.

* Published “Hindi Natak evm Rangmanch ka Badalta Svaroop”, Volume 16, Issue 4 (October–December 2025).

2. Krishna Prakash Khachi (Assistant Professor, History)

* Board of Studies Member in History for two years.

* Presented research paper “Urban Expansion and Increasing Water Demand: A Case Study of Shimla” at a two-day Multidisciplinary International Conference on “Climate Change and Global Water Scarcity”, Dr. Sarvepalli Radhakrishnan Govt. Degree College Dharampur, Mandi (HP), 26–27 September 2025.

* Presented research paper “India: The Mother of Democracy – From Ancient Tradition to Modern Inspiration” at the International Conference on “Revisiting Roots, Reimagining Futures”, 10–11 November 2025 (Hybrid

Mode), organized by RGM GC Joginder Nagar in collaboration with HCSR.

* Attended Faculty Development Programme (FDP) on “Leading the Future: Innovation and Excellence in Academia”, 1–7 December 2025, G.B.P.M. Govt. College Rampur Bsr., Shimla.

* Presented paper “Women in Hindi Literature and Their Impact on Indian Society: An Analytical Study” at RISE-2025 International Conference, 22–23 December 2025, organized by WGRC & IQAC, Govt. College Bhoranj, Hamirpur (HP), sponsored by Dept. of Transport, Himachal Pradesh, in collaboration with Mindanao State University, Sulu, Philippines.

3. Dr. Shalini Dharmani

* Participated in the 'International Faculty Development Program on Integrating AI for Scholarly Research', Holy Cross College, Tiruchirappalli, 24–30 September 2025.

4. Prof. Shilpa Kochhar

* Presented paper “Voices of Trauma: Literature, Media and the Quest for Empathy” at International Conference, Govt. Degree College Dehar, 8 November 2025.

5. Prof. Visheshar Lal

* Attended Two-Day Workshop: “Open Knowledge and the Himalayas”, IIIT Hyderabad & State Museum, Shimla, 25–26 September 2025.

* Presented paper “Warriors of Growth, Victims of Neglect: Nepalese Immigrants in Shimla” at ICSSR, Sponsored National Seminar: “Marginality and Social Inclusion”, Panjab University, Chandigarh, 21–22 August 2025.

* Presented paper “Apple Economy and Migration Paradox: Out-Migration and In-Migration in Shimla”, National Conference, Govt. College Banjar, Kullu, HP, 27 December 2025.

* Published article “The Other Side of Himachal's Apple Economy: A Story of State Failure and Human Folly”, 'Hill Post', 28 July 2025.

6. Dr. Mamta Sharma

* Presented paper “The Role of Banking and Financial Institutions in Supporting Post-Disaster Recovery”, Govt. Degree College Dehar, 8 November 2025.

* Presented paper “Embracing Lifelong Learning in Commerce Education”, Govt. Degree College Baijnath, 30–31 October 2025.

7. Dr. Niti Gupta (Assistant Professor, Music Instrumental)

* Attended 'International Faculty Development Program on Integrating AI for Scholarly Research, Holy Cross College, Tiruchirappalli, 24–30 September 2025.

* Participated in 'NEP 2020 Orientation Sensitization Program', Shri Mata Vaishno Devi University, Katra, 24 November – 3 December 2025.

The session 2025–26 at Government Degree College Barotiwala was a year of growth, engagement, and excellence. From environmental initiatives and democratic dialogue to sports achievements and career advancement, the institution continued to nurture responsible and capable citizens.

With unity, discipline, and vision, the college moves forward — committed to academic distinction and social responsibility.

Prayaas – A sincere effort towards excellence.

2025-26

संपादकीय

वार्षिक पत्रिका प्रयास का यह अंक आपके हाथों में पहुँच गया है—यह मेरे लिए हर्ष एवं संतोष का विषय है। इस पत्रिका के प्रकाशन हेतु प्राचार्या डॉ. कुलदीप सिंह जी की सतत् प्रेरणा कार्य करती रही। विभिन्न अनुभागों के प्राध्यापक तथा छात्र संपादकों के लिए भी यह कार्य चुनौतीपूर्ण रहा। स्थानाभाव के कारण जिन छात्रों की रचनाएँ प्रकाशित नहीं हो सकी उन्हें निराश नहीं होना चाहिए। वे अपना लेखन कार्य जारी रखें।

आज मुश्किल है,
कल थोड़ा बेहतर होगा,
बस उम्मीद मत छोड़ना,
भविष्य जरूर बेहतरीन होगा।

मनुष्य ईश्वर की अनुपम रचना है, महाकवि तुलसीदास ने लिखा है, बड़े भाग मानुष तन-पावा अर्थात् कई जन्मों के पुण्यों और संचित सौभाग्य के चलते ही मनुष्य को शरीर प्राप्त होता है। मानव मस्तिष्क में चिंतन-मनन और विश्लेषण पहचान करके अद्भुत और आश्चर्य भरे परिणामों को प्राप्त कर लेता है। जहाँ एक ओर मानव मस्तिष्क, विचारों का पोषक होता है, वहीं दूसरी ओर उसका हृदय दया, माया, ममता, मधुरिमा जैसे भावों से भी ओत-प्रोत रहता है। यही कारण है कि उसके सृजनात्मक कार्यों में विचारों एवं भावों का सुंदर समागम रहता है।

भावों और विचारों की सुनियोजित प्रस्तुति ही सुंदर साहित्य को जन्म देती है। किसमें कितनी सृजनात्मकता प्रतिभा है, इसका अंदाजा तभी लग सकता है, जब उसे अपनी प्रतिभा को अभिव्यक्ति देने और उसे निखारने एवं संवारने का अवसर मिले। प्रयास पत्रिका सृजना की इसी कमी को पूरा करते हुए छात्र-छात्रा को एक ऐसा मंच प्रदान करती है जिसमें वे अपनी सृजनात्मक प्रतिभा को एक आकार दे सकते हैं। पत्रिका को विविधता प्रदान करने की दृष्टि से यह आवश्यक है कि हर प्रकार की सृजनात्मक सामाग्री को इसमें स्थान मिले, क्योंकि विविध रंगों के फूलों से सजा गुलदस्ता ही अधिक अच्छा लगता है। यही कारण है कि यह अंक विविधता के रूप में निकाला जा रहा है। इस अंक में पाठकों की विभिन्न रुचियों को देखते हुए चिंतनपूरक, मनोरंजक, साहित्य एवं व्यंग्यात्मक लेखों को स्थान दिया गया है।

आशा करता हूँ कि यह अंक आपको काफी सूचनाप्रद, रोचक और उपयोगी लगेगा। अंत में, मैं इस पत्रिका के सफल प्रकाशन के लिए प्राचार्य महोदय, सम्पादक मण्डल, प्राध्यापक वृन्द एवं सहकर्मियों व छात्रों को बधाई तथा धन्यवाद देता हूँ, जिनके प्रयासों से यह पत्रिका वर्तमान स्वरूप में आप तक पहुँची है। अंत में, मैं अपने वक्तव्य को इन पंक्तियों में विराम देता हूँ -

जीत लो हर लम्हा,
बीत जाने से पहले,
लौटकर यादें आती हैं, वक्त नहीं।

डॉ. रमेश सिंह

मुख्य संपादक हिन्दी विभाग

राजकीय महाविद्यालय बरोटीवाला

छात्र संपादिका

प्रिय मित्रों, सत्र 2025-2026 के लिए महाविद्यालय की पत्रिका प्रयास का हिंदी अनुभाग प्रस्तुत करना मेरे लिए बहुत सौभाग्य की बात है। महाविद्यालय की वार्षिक पत्रिका हमें अपनी रचनात्मक प्रतिभा को अभिव्यक्त करने का अवसर देती है और यह मेरे लिए अत्यंत प्रसन्नता की बात है कि इस वर्ष मुझे यह कार्य सौंपा गया। प्रयास पत्रिका के हिंदी-अनुभाग की संपादिका का यह कार्य मेरे लिए कठिन था परन्तु हिंदी अनुभाग के संपादक प्राध्यापक डॉ. श्याम सिंह के सहयोग एवं मार्गदर्शन से यह कार्य सफलतापूर्वक सम्पन्न हो सका। मैं अपने समस्त सहपाठियों के प्रति भी आभारी हूँ जिन्होंने मेरे इस कार्य को सफल बनाने में मदद की।

हिंदी दिवस: भारत की राजभाषा का उत्सव:

वर्तमान स्थिति केंद्र सरकार के लिए भारत की दो आधिकारिक भाषाएँ हैं हिंदी और अंग्रेजी। संविधान किसी भी एक भाषा को राष्ट्रभाषा का दर्जा नहीं देता है। महत्व और उत्सव हिंदी दिवस हिंदी भाषा, उसके साहित्य और एक भाषाई रूप से विविध राष्ट्र में एकजुट करने वाली शक्ति के रूप में उसकी भूमिका का सम्मान करने और उसे बढ़ावा देने के लिए समर्पित है। यह भारत की सांस्कृतिक और भाषाई पहचान में हिंदी की भूमिका को उजागर करता है जिससे विभिन्न क्षेत्रों के लोगों को आपस में जोड़ने में मदद मिलती है।

हिंदी का प्रचार रू यह दिन आधिकारिक और दैनिक जीवन में हिंदी के उपयोग को प्रोत्साहित करने और देश में अंग्रेजी के बढ़ते चलन को संतुलित करने का कार्य करता है। विश्व हिंदी दिवस हिंदी दिवस को विशेष स्तर पर बढ़ावा देने के लिए प्रतिवर्ष 10 जनवरी को मनाया जाता है यह 10 जनवरी 1975 को नागपुर में आयोजित पहले विश्व हिंदी सम्मेलन की वर्षगांठ का प्रतीक है।

आत्मनिर्भर भारत

आत्म निर्भरता मुख्यतः पांच तत्वों पर निर्भर करती है-अर्थव्यवस्था, मांग, जनसंख्या, तंत्र और संरचना। भारत की कला और संस्कृति को देखते हुए यह बात स्पष्ट होती है कि भारत प्राचीन काल से ही आत्मनिर्भर रहा है। आत्मनिर्भर होने का मतलब है कि आपके पास जो होना है उसके माध्यम से एक छोटे स्तर पर खुद को आगे की ओर बढ़ाना है या फिर बड़े स्तर पर अपने देश के लिए कुछ करना है। प्रधानमंत्री नरेंद्र मोदी द्वारा आत्मनिर्भर भारत अभियान की शुरुआत 12 मई 2020 को की गई। इस अभियान के तहत छोटे वर्ग के लोग जो कोई भी व्यापार करना चाहते हैं उन्हें सस्ते दर पर लोन उपलब्ध करवाया जाएगा। विद्यार्थियों को ऐसे शिक्षा दी जाएगी जिससे उनके अंदर कौशल का विकास हो ताकि वह रोजगार प्राप्त कर सकें। आत्मनिर्भर भारत का अर्थ-खुद को किसी और पर आश्रित न करना है। भारत की कला और संस्कृति को देखते हुए यह बात स्पष्ट होती है कि भारत की श्रेणी में खेती, मत्स्य पालन, आंगनवाड़ी में बनाई गई सामग्री इत्यादि अनेक प्रकार के कार्य हैं।

डिजिटल इंडिया का सपना

डिजिटल इंडिया आज के आधुनिक भारत का बड़ा सपना है। इसका मुख्य उद्देश्य हर नागरिक को इंटरनेट और डिजिटल सुविधाओं से जोड़ना है। आज आधार, बैंकिंग, बिल जमा करना, टिकट बुकिंग जैसे काम भी मोबाइल से ही आसानी से हो जाते हैं। इससे समय और पैसे दोनों की बचत होती है।

डिजिटल भुगतान ने लोगों की जिंदगी को और भी अधिक सरल बना दिया है। UPI और मोबाइल बैंकिंग से कुछ ही सेकंड में पैसा भेजा जा सकता है। शिक्षा के क्षेत्र में भी ऑनलाइन क्लास और ई-लाइब्रेरी ने छात्रों के लिए पढ़ाई आसान बना दी है। हालांकि कुछ जगह पर इंटरनेट की कमी भी चुनौती है, फिर भी डिजिटल इंडिया एक आत्मनिर्भर और आधुनिक भारत का सपना साकार कर रहा है।

डिजिटल इंडिया ने आम लोगों को सरकारी योजनाओं से सीधे जोड़ने में भी मदद की है। अब कई योजनाओं की जानकारी और लाभ आसानी से ऑनलाइन मिल जाते हैं। इससे पारदर्शिता बढ़ी है और लोगों को अपने अधिकार समझने में आसानी हुई है। डिजिटल सुविधाओं ने नागरिकों और सरकार के बीच की दूरी कम कर दी है।

शिक्षा का महत्व

यह सर्वमान्य है कि शिक्षा वह क्रांति है जो समाज में परिवर्तन लाने में सक्षम है। यह एक व्यक्ति को अपने परिवार, समाज, राष्ट्र के साथ-साथ संपूर्ण दुनिया के प्रति भी अपने अधिकारों और जिम्मेदारियों को समझने व उनका उपयोग करने की समझ प्रदान करती है। शिक्षित व्यक्ति के अंदर स्वतः ही हिंसा, अन्याय, भ्रष्टाचार और अन्य विभिन्न सामाजिक कुरीतियों के खिलाफ लड़ने की एक जिजीविषा पैदा होती है जिसकी वजह से वे समाज में सुधार हेतु अपना योगदान देते हैं। शिक्षा व्यक्ति को शांतचित्त, गंभीर और बुद्धिमान बनाता है। इसके अलावा कोई भी व्यक्ति अपनी विशेषज्ञता और डिग्री की सहायता से नौकरी या व्यवसाय के अपार अवसरों को न सिर्फ खोल सकता है, बल्कि उनमें नित कई ऊंचाइयों को छू सकता है। वर्तमान पीढ़ी की शिक्षा पर ही एक राष्ट्र का भविष्य निर्भर करता है। अतः शिक्षा ही वह साधन है जो जीवन, समाज और राष्ट्र में हर असंभव कार्य को संभव बना सकती है।

बी.ए. तृतीय वर्ष

किस्मत या मेहनत

बहुत से लोग असफल होने या हार जाने पर अपनी किस्मत को कोसते हैं और जब अपने आस-पास सफल लोगों से मिलते हैं तो अक्सर यही सोचते हैं कि उनकी किस्मत बड़ी अच्छी है, जो ये लोग अपने कार्य क्षेत्र में एक कामयाब इंसान है। लेकिन क्या यही वास्तविकता है, दरअसल भाग्यशाली लोग ही अपनी किस्मत की मिसाल देते हैं। जब हम अपने जीवन में किसी लक्ष्य को पाने के लिए कठोर परिश्रम करते हैं तो हमारे विचार तो पोजिटिव बनते ही हैं और हमारे द्वारा किए जाने वाले सारे काम और प्रयास भी ठीक ढंग से होते हैं। ऐसे में हमारे जीवन में चाहे कितने भी संकट आए हम उससे घबराए बिना लगातार अपना कठोर परिश्रम जारी रखते हैं जिसके कारण कि हम अपने करियर या अपने और लक्ष्यों को पाने में कामयाब होते हैं। उस समय हमारी किस्मत भी हमारा साथ देती है। इसलिए जब हम किसी कामयाब व्यक्ति से मिलते हैं तो यह जरूर याद रखना चाहिए कि इस इंसान ने खूब मेहनत करके सफलता हासिल की है और मेहनत के साथ-साथ उसकी किस्मत ने भी उसका साथ दिया है।

प्रशांत

बी.ए. तृतीय वर्ष

स्वास्थ्य

अच्छे स्वास्थ्य का मतलब सिर्फ अच्छी काया और दिखावट ही नहीं है। यह आत्म-संतुष्टि, आंतरिक शांति और आपके व्यवहार से जुड़ा है। आज के प्रतिस्पर्धात्मक युग में स्वस्थ मन और शरीर को बनाए रखना इतना आसान नहीं है लेकिन अगर आप इसे छोटी-सी उम्र से ही अपनी आदत बना लें, तो आप जीवन भर स्वस्थ और तंदुरुस्त रह सकते हैं। हो सकता है कि हम कम उम्र में अच्छे स्वास्थ्य का महत्व न समझ पाएं, लेकिन स्वास्थ्य व्यक्ति की पहली प्राथमिकता होनी चाहिए। स्वस्थ रहने पर ही व्यक्ति अपनी पढ़ाई के साथ-साथ अन्य गतिविधियों में भी पूरी लगन से काम कर पाता है। यह भोजन या धन से भी ज्यादा मूल्यवान है। लालच, बेईमानी और कष्ट पूर्ण व्यवहार दुःख के प्रमुख कारण है इसलिए यह जरूरी है कि हम खुद में सकारात्मक आदर्श को अपनाएं और दूसरों को भी ऐसा करने के लिए प्रेरित करें। परिवार और दोस्तों के साथ कुछ अच्छा समय बिताना जरूरी है। स्वस्थ शरीर में ही स्वस्थ मन निवास करता है इसलिए हमें हमेशा अपने स्वास्थ्य का ध्यान रखना चाहिए।

आकृती

बी.ए. प्रथम वर्ष

जटोली मंदिर

जटोली मंदिर हिमाचल प्रदेश के सोलन जिले में स्थित एक प्रसिद्ध और प्राचीन शिव मंदिर है। यह मंदिर सोलन शहर से लगभग 7 किलोमीटर दूर जटोली गांव में स्थित है। इसे एशिया के सबसे ऊंचे शिव मंदिरों में से एक माना जाता है। यह मंदिर अपनी भव्य वास्तुकला, धार्मिक महत्व और प्राकृतिक सौंदर्य के लिए जाना जाता है। जटोली मंदिर भगवान शिव को समर्पित है। मान्यता है कि प्राचीन काल में भगवान शिव कुछ समय के लिए यहाँ रुके थे, इसी कारण इस स्थान को जटोली कहा गया। मंदिर का निर्माण पारंपरिक पहाड़ी शैली में किया गया है, जिसमें सुंदर नक्काशी और ऊंचा शिखर देखने को मिलता है।

यह मंदिर केवल एक धार्मिक स्थल ही नहीं, बल्कि आस्था और शांति का केंद्र भी है। महाशिवरात्रि के अवसर पर यहां विशेष पूजा-अर्चना और मेले का आयोजन किया जाता है, जिसमें दूर-दूर से श्रद्धालु आते हैं।

जटोली मंदिर हिमाचल प्रदेश की सांस्कृतिक और धार्मिक धरोहर का एक महत्वपूर्ण प्रतीक है। जटोली मंदिर न केवल भगवान शिव के भक्तों के लिए, बल्कि प्रेति और संस्कृति प्रेमियों के लिए भी एक दर्शनीय स्थल है।

छठ पूजा

सूर्य देव की आराधना का पर्व है छठ,

आस्था और भक्ति का प्रतीक है यह त्यौहार।

नदी के किनारे खड़े होकर जब आरती उतारते हैं,

लगता है प्रकृति भी भगवान के नाम पर झुक जाती है।

छठ पूजा हिंदुओं का प्रसिद्ध त्यौहार है। छठ पूजा को 'डाला छठ' के नाम से भी जाना जाता है। यह त्यौहार अक्टूबर या नवंबर के महीने में मनाया जाता है। इस त्यौहार में भगवान सूर्य और छठी माता की पूजा की जाती है। लोग इस त्यौहार पर 3 दिनों तक उपवास रखते हैं। छठ पूजा में उगते हुए और डूबते हुए सूर्य को अर्घ्य दिया जाता है। यह पूजा नदी या तालाब के किनारे की जाती है।

छठ पूजा त्यौहार बिहार, झारखंड और उत्तर प्रदेश में बहुत ही धूमधाम से मनाया जाता है। छठ पूजा में लोग अपने परिवार की सुख-समृद्धि की कामना करते हैं।

अधूरी आजादी

सुनो ओ देश के नौजवानों, अब वक्त है जागने का,
क्योंकि आजादी अधूरी है, ये वक्त है आग लगाने का।

पचहत्तर साल हुए, पर हाल वही है,
रिश्वत, भूख, व्यवसाय – सवाल वही है।
तिरंगा लहराता है, पर इंसान झुका है,
सत्ता के हाथों में सच अब रुका है।
कभी गोरों के गुलाम थे, अब अपने ही राज में,
भूख और डर है, हर समाज में।
किसान की मिट्टी कर्ज में डूबी,
और नेता की बातें – हैं सब झूठी।
कहते हैं भारत नया है, पर सोच पुरानी,
हर दिल में अब भी जंजीरें पुरानी।
बोलने की आजादी है, पर डर के साथ,
सच कहो तो समझो – अपराध के साथ।
भगतों की पुकार अब भी गूंज रही है,
पर भीड़ में सच्चाई डूब रही है।
अब वक्त है फिर वह चिंगारी जलाने का,
हर झूठ चेहरे से नकाब हटाने का।
जब तक गरीबों के हक की जीत पूरी नहीं,
तब तक वे आजादी पूरी नहीं।
हम तब तक लड़ेंगे, जब तक है जान,
जब तक आजाद ना हो हिंदुस्तान।

जीवन का संदेश

जीवन एक सुंदर सागर है,
लहरों सा उतार-चढ़ाव !
जो डूबा वह सीखा,
जो तैरा उसने पाया प्रभाव!

हर सुबह एक नई आशा लेकर आती है,
हर रात कुछ सपनों को संजो जाती है।
मेहनत का फल मीठा होता है सदा,
सच्चाई के मार्ग पर चलना ही है बड़ा।

हौंसले बुलंद हो तो मुश्किल भी आसान है,
विश्वास हो मन में, तो जीत निश्चित है।
प्रेम और दया से जग को सजाओ,
यही मानवता का सच्चा संदेश गुनगुनाओ।

जसविंदर

बी.ए. तृतीय वर्ष

वीर सपूत

माँ की लोरी छोड़ कर जिन्होंने,
वतन की पुकार सुनी।
अपने सपने, अपनी नींद,
सीमा पर जाकर बुनी।

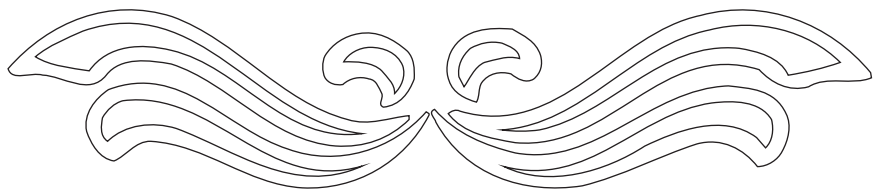

धूप, बर्फ, तूफानों में भी,
डिगा ना जिनका मान।
तिरंगे की शान बचाने,
दे दी उन्होंने अपनी जान।

कलम उठाई किसी ने तो,
क्रांति का शंखनाद हुआ।
फाँसी के फंदे चूम के भी,
हौंसलों का दीप जला।

आज की हर एक मुस्कान में,
उनका ही बलिदान है।
देशभक्तों के कारण ही,
स्वतंत्र हमारा हिंदुस्तान है।

गीता देवी

बी.ए. तृतीय वर्ष

माँ

माँ तेरी ममता की छाया में,
हर दर्द भी मीठा लगता है।
तेरे आंचल की छांव तले,
हर आकाश अपना लगता है।

जब भी रहे मुश्किल होती,
तेरी दुआएं साथ निभाती।
तेरी गोदी कि वो लोरी,
हर नींद में सपना सजाती।

तू खुद भूखी रह जाती,
तेरी दुआएं साथ निभाती।
तेरे बिना यह जीवन अधूरा,
तू है तो सब कुछ है सच्चा।

माँ तू है तो हर सुख है पास,
तेरे बिना जीवन है उदास।
तेरा होना ही है आशीर्वाद,
तू ही है मेरा सबसे बड़ा उपहार।

निष्ठा

बी.ए. तृतीय वर्ष

कोशिश करने वालों की कभी हार नहीं होती।

लहरों से डर कर नौका पार नहीं होती,
कोशिश करने वालों की कभी हार नहीं होती।

नन्ही चींटी जब दाना लेकर चलती है,
चढ़कर गिरना गिरकर चढ़ना न अखरता है।

डुबकियां सिंधु में गोताखोर लगाता है,
जहाँ जाकर खाली हाथ लौट कर आता है।
मिलते नहीं सहज ही मोती गहरे पानी में,
बढ़ता दुगुना उत्साह इसी हैरानी में।
मुट्ठी उसकी खाली हर बार नहीं होती,
कोशिश करने वालों की कभी हार नहीं होती।

असफलता एक चुनौती है, इसे स्वीकार करो।
क्या कमी रह गई, देखो और सुधार करो।
जब तक सफल न हो, नींद चैन को त्यागो तुम।
कुछ किए बिना ही जय जयकार नहीं होती,
कोशिश करने वालों की कभी हार नहीं होती।

प्रकृति की गोद में

प्रकृति की गोद में बैठकर देखो,
हरियाली की शोभा अनोखी है।
पेड़ों की डालियों पर पक्षियों का गीत,
प्रकृति का संगीत सुनने को मिलता है।

नदियों की लहरें, झरनों की ध्वनि,
प्रकृति की सुंदरता को बढ़ाती है।
फूलों की खुशबू, मधुर संगीत,
प्रकृति की गोद में जीवन फूलता है।

प्रकृति की सुंदरता को देखकर मन मोहित होता है,
प्रकृति जीवन की भाग दौड़ से दूर ले जाती है।
प्रकृति की गोद में बैठकर देखो,
जीवन की सच्चाई को समझने का अवसर मिलता है।

मैं बोझ नहीं हूँ

शाम हो गई, अभी तो घूमने चलो ना पापा,
चलते-चलते थक गई, कंधे पर बिठा लो ना पापा।
अंधेरे से डर लगता है, सीने से लगा लो ना पापा।
मम्मा तो सो गई, आप ही थपकी देकर सुलाओ ना पापा।

स्कूल तो पूरा हो गया,
अब कॉलेज जाने दो ना पापा।
पाल पोस कर बड़ा किया,
अब जुदा तो मत करो ना पापा।

अब डोली में बिठा ही दिया तो,
आँसू तो मत बहाओ ना पापा।
आपकी मुस्कुराहट अच्छी है,
एक बार मुस्कुराओ ना पापा।

आपने मेरी हर बात मानी,
एक बात और मान जाओ ना पापा।
इस धरती पर बोझ नहीं मैं,
दुनिया को समझाओ ना पापा।

सड़क दुर्घटना

एक पल की लापरवाही,
जिंदगी भर का दर्द बन जाती है।
तेज रफ्तार की चाह में,
सांसों की डोर कट जाती है।

लाल बत्ती को अनदेखा कर,
मंजिल जल्दी पाने की होड़,
भूल जाते हैं ये लोग यहां,
कि जीवन है सबसे अनमोल।

मोबाइल की एक झलक में,
उजड़ जाते हैं कई संसार,
माँ की ममता, पिता का सहारा,
सब रह जाते हैं बेसहारा।

आओ संकल्प करें आज हम,
नियमों का करेंगे सम्मान।
सावधानी ही सुरक्षा है,
यही जीवन का है वरदान।

पापा

आप हो वह आसमान, जो बिना बोले छा जाता है।
हर तूफान में छाता बन, सिर पर तन जाता है।
सुबह की पहली किरण से पहले उठ जाते हो,
हमारी नींद के लिए चुपके से सपने संजो जाते हो।

कंधों पर बिठाकर दुनिया दिखाई थी आपने,
छोटे-छोटे कदमों को बड़े रास्ते दिखाए थे आपने।
डांट में भी प्यार था, गुस्से में भी चिंता,
हर गलती के बाद कहते, बेटा फिर से कोशिश करना।

पापा तुम भगवान के बनाए सबसे सच्चे फरिश्ते हो,
बिना पंखों के उड़ जाते हो, हमारे लिए जीते हो,
आपकी गोद में सुकून, आपकी बातों में जीवन,
आप है ना, बस आप है तो पूरा है हर सपना मेरा।

पापा, आप हमारे हीरो हो हमेशा।

कहानी हसीन होनी चाहिए.....

कहानी चाहे जो भी हो,
कहानी हसीन होनी चाहिए।

दिल में अच्छाई और
आँखों में प्यार होना चाहिए।
मायूसी में क्या रखा है,
जिंदगी तो मजेदार होनी चाहिए।

खैर सजते तो सभी है आजकल,
पर उसमें थोड़ी सादगी की मिलावट भी होनी
चाहिए।

यूँ तो जिंदगी का सफर आसान नहीं होता,
जिंदगी जीने के लिए खुशमिजाज होना चाहिए।

मिठास होठों पर नहीं,
दिल में होनी चाहिए।
लोग चाहे जैसा भी बर्ताव करें,
पर आपके बर्ताव में संस्कार होने चाहिए।

स्वार्थ से भरी इस दुनिया में,
थोड़ा निस्वार्थ भी होना चाहिए।
किरदार चाहे जो भी हो,
कहानी हसीन होनी चाहिए।

चिड़िया

सुबह-सुबह जब सूरज जागे,
आंगन में उजियारा लागे।
तब टन-मन करती चिड़िया आए,
चहक-चहक कर गीत सुनाएं।

नन्हें परोँ से उड़ती जाती,
नीले गगन में रंग भर जाती।
कभी डाल पर, कभी फेंस पर,
बैठ गुनगुनाएं अपने स्वर।

बीज चुगे या दाने खाएं,
फिर उड़ कर बादलों में जाएं।
ना कोई चिंता ना कोई भार,
बस खुला गगन उनका संसार।

काश हम भी ऐसे उड़ पाते,
चिंताओं से खुद को छुड़ाते।
मुक्त पंछियों से गाते जाते,
आसमान को छू जाते।

मुस्कान
बी.ए. तृतीय वर्ष

बचपन

एक बचपन का जमाना था,
जिसमें खुशियों का खजाना था।
चाहत चांद को पाने की थी,
पर दिल तितलियों का दीवाना था।

थक कर आना स्कूल से,
फिर भी खेलने जाना था।
बारिश में कागज की नांव थी,
हर मौसम सुहाना था।

रोने की वजह ना थी,
ना हंसने का बहाना था।
क्यों हो गए इतने बड़े हम,
इससे अच्छा तो बचपन का जमाना था।

लोहड़ी

लोहड़ी आई, लोहड़ी आई,
सर्दी खत्म होने को आई।

आज फिर से लोहड़ी आई,
सभी जनों को खूब बधाई।

आज लकड़ी खूब जलेगी,
आग संग महफिल सजेगी।

लोहड़ी के पंजाबी गीत गुनगुनाना,
खान-पान संग होगा गाना बजाना।
फूल, रेवड़ी, मूंगफली होगी अग्नि को अर्पित,
हर्ष और उल्लास का होगा त्यौहार समर्पित।

लोहड़ी आई, लोहड़ी आई,
सर्दी खत्म होने को आई।

माँ-बाप रा प्यार

माँ बाप रा प्यार,
दुनिया रा अनमोल तोफा,
मेरे खातिर तिन्हा रे बिना अधूरा ऐ संसार,
माँ रा आंचल कने बाप रा प्यार।

कदी तिना री झिड़का कने कदी तिना रा दुलार,
माँ देंदी बित्या रा लड़ने री शक्ति,
बचपन मुश्किला छोवा ने कने धूप पावे उस पार,
हर वकत लगदा जिना गुरुजन च बहार
फिर जबानी च कठिनाइयों ने किया अहा पार वार,
लड़ खड़ये पर मेर पर संभाली गये,
मेरे ले था माँ बाप रा प्यार,

माँ बाप छुटे बच्च्या री शक्ति,
फने माँ बाप रे बिना अधूरी अहा री शक्ति
सारेया चीजो नी मिलदा माँ बाप रा प्यार,
दुनिया रा अनमोल तोफा।

बसंत ऋतु

फेर आई बसंत दी बहार,
खिल उठे बाग-बगीचे सार,
सरसों पीली, आम बौराये, कोयल
मीठी गीत सुनाए।

फूला नाल रंगीन धरा,
हलकी बयार धुदे लहर
नदिया च चलन लगी लहर,
मनवा मचन लगे उमंग दे घर।

चिढ़े गुंजन मीठे गाने,
बगिया विच भवरे रस बरसाने।
होली दी छाई मस्ती,
हर दिशा विच खुशी दा बस्ती।

कुदरत रा अनुपम उपहार,
बसंत ऋतु रा सुथर श्रृंगार
सज उठे खेत-खलिहान,
खुशियां नाल गुंजे जहान।
