

## **INTERNSHIPS**

### Internships Provided to Our Students

To strengthen industry exposure and experiential learning, the Career Counselling & Placement Cell (CC&PC) facilitated multiple industrial internships for students during the month of May. These internships aimed to enhance practical skills, professional understanding, and workplace readiness.

#### **1. 7–20 May: Industrial Internship at Vrindavan Chikitsalaya**

A group of (... students) underwent hands-on training at Vrindavan Chikitsalaya, where they gained real-time experience in healthcare management, patient interaction, hospital operations, record maintenance, and service delivery systems. This internship helped students understand the functioning of a medical institution and develop essential administrative and communication skills.

#### **2. 9–20 May: Industrial Internship at Agrestal Organic Living, Baddi**

Students were provided exposure to sustainable business practices, organic product processing, quality assurance, packaging techniques, and marketing strategies adopted by Agrestal Organic Living. The internship enabled them to understand eco-friendly production processes and the growing relevance of the organic industry in today's market.

#### **3. 10–20 May: Industrial Internship at Nirmal Furnishing & Fabric, Baddi**

During this internship, students learned about textile operations, fabric quality assessment, production workflows, inventory handling, retail management, and customer service. This experience strengthened their understanding of the manufacturing and furnishings sector while enhancing practical management skills.

These internships not only bridged the gap between classroom learning and industry practices but also equipped students with confidence, professional insight, and workplace competencies essential for future career growth.

## REPORT

### Government College Barotiwala Students Begin Internship at Agrestal Organic Living India Pvt .Ltd.

We are proud to announce that eight students from Government College Barotiwala have commenced their internship with Agrestal Organic India Ltd., a reputed organization in the field of organic products and sustainable agriculture.

These students have been selected for an intensive training program that spans across key functional areas such as Human Resources, Accounts, and Certification. The internship is designed to provide hands-on experience, practical industry exposure, and skill development in real-world business operations.

This valuable opportunity marks another step forward in the college's ongoing efforts to strengthen industry-academia collaboration and enhance the employability of its students.

We extend our best wishes to the interns for a fruitful and enriching learning experience.
